

Superior Solutions

PRODUCT SPECIFICATION REPORT

HBH is a viscous liquid containing 6 synthetic detergents, emollients, opacifiers, preservatives, and essential oil fragrances.

HBH

PROD. #4838

Viscous Hand Soap

FEATURES	BENEFITS
Lotionized	Emollients leave skin soothing and refreshed after use.
Versatile	Use on hands, body and hair.
Viscous	Prevent dripping from lotion dispensers.
Pleasantly Scented	Leaves entire body feeling refreshed.

APPLICATIONS & DILUTIONS

Use in any lotion or pump dispenser designed for viscous (thick) liquids. Ideal for cleaning of hands, body and hair in virtually any environment where a mild soap is desired.
