

PRODUCT SPECIFICATION REPORT

ZEP PROTEIN STAIN REMOVER™

DESCRIPTION

A ready-to-use liquid for use as a pre-treatment of laundry operations to enhance removal of protein stains such as blood, food, grease & oil, and coffee from fabric in laundry wheel.

FEATURES

- Easy to use
- Effective
- Phosphate Free

BENEFITS

- Packaged in quart bottle fitted with dispenser spout for easy, controlled application. **DO NOT SPRAY!**
- Formulated to quickly penetrate and solubilize protein soils for effective removal in the laundry wheel.
- Contains no phosphate ingredients, and is in compliance in areas banning phosphates in laundry detergents.
